

SYNGAS ASSOCIATION

CALL FOR PAPERS FOR SYNGAS 2020

We plan to hold several paper presentations / workshops at the 2020 SynGas Association Meeting in Memphis, TN March 9-11, 2020. We're really looking forward to receiving your abstracts.

Presentations should meet the following requirements:

- Information should be of relevance to syngas industry sectors and should concern technical (specifically new technologies), environmental, safety, maintenance / reliability or overall operation.
- Presentations should be no greater than 1 hour and shall include a brief Q &A.
- Presentations should be technically informative and **not** just a simple sales pitch.

The SynGas Committee will select presentations based on short abstracts. **Detailed information concerning your presentation will not be necessary.** Presentations will be chosen according to the level of interest among producers for various subjects.

Please email your abstracts ASAP to betty@syngasassociation.com. **Deadline for admissions is September 15, 2019.** Selected presenters will be notified by October 15, 2019.

We are looking forward to seeing you in Memphis at SynGas 2020!
