

SYNGAS ASSOCIATION

CALL FOR PAPERS FOR SYNGAS 2022

We plan to hold several paper presentations / workshops at the 2022 SynGas Association Spring Meeting in Baton Rouge, April 25-27, 2022. We are really looking forward to receiving your abstracts!

Presentations should meet the following requirements:

- Information should be of relevance to syngas industry sectors and should concern technical (specifically new technologies), environmental, safety, maintenance / reliability, or overall operation.
- Presentations should be no greater than 1 hour and shall include a brief Q &A.
- Presentations should be technically informative and **not** just a simple sales pitch.

The SynGas Committee will select presentations based on short abstracts. **Detailed information concerning your presentation will not be necessary.** Presentations will be chosen according to the level of interest among producers for various subjects.

Please email your abstracts ASAP to betty@syngasassociation.com. **Deadline for submissions is February 7, 2022.** Selected presenters will be notified by February 15, 2022.

We are looking forward to seeing you in Baton Rouge at SynGas 2022!
